## Personal Profile

An aspiring full-stack developer specialising in MERN stack.

Passionate about coding and learning new technologies, actively looking forward to working in a product-based company where I can grow and contribute.

## Skills

- HTML & CSS
- JavaScript
- React
- Node.js
- Express.js
- MongoDB
- REST APIs
- Git & GitHub
- Problem Solving
- Teamwork
- Communication

## Certificates

- Full Stack Web Development Certification – Edureka

## Education

**Full Stack Web Development** – Edureka

Higher Secondary Education (Science)

## Projects

### **Medical E-commerce Web Application**

Designed and developed a full-stack medical e-commerce platform with admin panel. Converted product data from Excel to JSON and stored it in MongoDB. Implemented dynamic product listing, secure order handling, and payment verification using JavaScript, Fetch API, Node.js, Express, and MongoDB.
